E. SESSION SUMMARY:

The target is a wide expanse of wavy, but flat, land; possibly a desert. However, there are some structures in the area. There is a large round thing, and there is something in the shape of an arrow. This thing is illuminating.

There is also an old man with a grey beard, wearing a hat. He is walking slightly bent forward, leaning on a cane. He seems to have trouble walking through this area, as if he is walking against a very strong wind.
